# HARVEST GOLD

## Water-Rinseable Tar Remover

**A safe and effective solvent for removing tar, asphalt, grease and road oils from rolling stock, storage tanks and equipment.**

### THE EARTH SMART<sup>®</sup> SOLVENT FOR THE NEW MILLENNIUM:

- **Contains No Hazardous Components**
- **Very Low Volatile Organic Compounds**
- **Ranked Zero or One in All HMIS Categories**

**Created From Refined Vegetable Oils...**  
An agriculturally produced, renewable resource from the heartland!

**High Solvency...**melts away tough asphalt, tar, grease, oil, creosote and grime.

**Rinses clean with water.** Spray or wipe it on, rinse it off.

**Safe to use on most hard surfaces,** including stainless steel, aluminum, rubber, glass, vinyl, and plastic. Will not etch, pit, fade, discolor or attack most surfaces. Will not harm rubber, plastic or PVC.

**May be used safely on most painted surfaces when rinsed.**

**Very Low Odor.** Can be used in close quarters without overwhelming smells or odors.

**Very High Flash Point** greatly reduces flammability concerns.

**Totally Safe!** Non-toxic formula: Non-acid, Non-caustic, Non-chlorinated...Contains No Petroleum Distillates. Contains no CFCs or HCFCs.

**Readily Biodegradable.**
