

Never Manually Clean Your Grease Trap Again!

Turn your grease trap from this...

...To this with United 393!

Actual, untouched photos from a major hospital in Enid, Oklahoma.

United 393 Grease Trap Maintainer

United 393 Grease Trap Maintainer is a completely natural, organic solvent that solubilizes grease safely. It's —

- Non-toxic
- Non-acid
- Non-caustic
- Won't harm pipes or trap
- Contains no petroleum

Plus United 393 deodorizes as it degreases with a fresh citrus scent.

Make your grease trap maintainer last longer with United's Bacterial Enzymes. Ask your rep for details.
