L A B O R A T O R I E S

United 306

United 306 REFRESH-SORB is an industrial strength odor absorbent that works to control even the toughest odors in rooms, air handlers, confined spaces and more. Activated charcoal in the formulation actually draws odors in to neutralize and control them.

REFRESH-SORB:

- Is an activated carbon based product;
- Is biodegradable;
- Is easy-to-use;
- Is non-flammable;
- Lasts 30 – 60 days.

Controls odors associated with:

- Mold/Mildew • Bathrooms
- Paints/Varnish • Garbage • Body Odor • Locker Rooms • Flooding
- Ammonia • Sewers • Pets
- Smoke Damage • Cigarettes • Kitchens
- Air Handlers • Confined Spaces
- Public Transportation

DIRECTIONS:

To control odors, open the container by either using the flip top option or unscrewing and removing the lid completely. Set the container near the source of odor or in an out of the way spot.

For really strong odors, keep the flip top closed and remove the lid. Then invert the container on the lid and lift off container to leave product fully exposed on the lid. This allows more surface area of the product to absorb odors more quickly.

REFRESH-SORB

KEEP OUT OF REACH OF CHILDREN.
See other cautions on back/side panel.

PRECAUCION AL USARIO:

Si usted no puede leer Ingles, pregunte a alguien que le traduzca esta etiqueta para usted antes de uso.
