# O<sub>2</sub> PLUS Water Soluble Packets

The **O<sub>2</sub> PLUS Water Soluble Packets** consist of a special blend of granular actives that release oxygen into the waste stream within minutes!

- **O<sub>2</sub> PLUS Water Soluble Packets** provide low level oxygen over an extended period with time released formulation - reducing odor generation, stimulating beneficial biological activity and biological waste degradation.
- **O<sub>2</sub> PLUS Water Soluble Packets** provide a continual source of actives to stimulate biodegradation of grease and other organic wastes. The slow release formula of the **O<sub>2</sub> PLUS Water Soluble Packets** provides 60 – 90 days of grease and odor reduction (high flow rates can reduce effective time period).
- Contains a micro-nutrient package to provide additional bacteria food source.
- Ideal for lift stations, mains, sumps, grease traps and many other stagnant water situations.
- Reduces Odors
- Near Neutral pH
- Works at Temperatures of 48°F to 120°F

#### DIRECTIONS FOR USE:

**Mains and Lift Stations:** Dosage is based on flow. Under 50,000 GPD, use 2 water soluble packets; 50,000 to 100,000 GPD, use 3-4 packets.

**Grease Traps, Sumps and Stagnant Water:** 1 water soluble packet per 300 gallons or part thereof.

Specific sites may need different dosages. Call your United sales representative for special application needs.

**Storage:** Please keep pail lid tight and store in dry area.

Only use product as directed. Do not break open water-soluble packets. Open powder is a skin and respiratory irritant and can damage eyes. Do not expose product to flame or combustible materials.

Made in USA

918

**DANGER**  
**KEEP OUT OF REACH OF CHILDREN.**  
**See other cautions on back/side panel.**

*PRECAUCION AL USARIO: Si usted no puede leer Ingles, pregunte a alguien que le traduzca esta etiqueta para usted antes de uso.*

**Manufactured and Sold Exclusively By:**  
**UNITED LABORATORIES, INC.**  
**320 37th Avenue • St. Charles, IL 60174**  
**1-800-323-2594 • www.unitedlabsinc.com**

**DANGER:** Causes serious eye damage. May intensify fire; oxidizer.

Wear eye protection/face protection. Take any precaution to avoid mixing with combustibles. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep/store away from clothing/combustible materials. In case of fire: use water to extinguish. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or physician. Store in accordance with local, national and regional rules, laws and regulations. Dispose of contents/container to an approved waste disposal plant.

#### ADDITIONAL FIRST AID MEASURES:

**IF IN EYES:** Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids intermittently. Consult a physician.

**IF ON SKIN:** Wash off with soap and water. Get medical attention if irritation develops and persists.

**IF INHALED:** Move to fresh air. If breathing is difficult, give oxygen. If not breathing, give artificial respiration. If breathing difficulty or discomfort occurs and persists, obtain medical attention.

**IF SWALLOWED:** Rinse mouth with water and afterwards drink plenty of water or milk. Do not induce vomiting or give anything by mouth to an unconscious person. Call a poison control center or doctor immediately for treatment advice. Never give anything by mouth to an unconscious person.

**CONTAINS (CAS#):** Calcium hydroxide (1305-62-0), Calcium peroxide (1305-79-9)

An SDS for this product is available through United's website, [www.unitedlabsinc.com](http://www.unitedlabsinc.com), providing 24 hour access. Please read the SDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
