L A B O R A T O R I E S

- STOVES • BARBEQUES • OVENS
- BROILERS • GRILLS • HOODS

DIRECTIONS:

Using United's A078 Foamatic Trigger Sprayer*, foam on liberal amounts of **Oven and Grill Cleaner** on the surface to be cleaned. Let stand 5 minutes or longer (but not so long that it dries) and then flush away with water. For difficult stains, foam on a second application. Let stand 4 to 5 minutes and then agitate the area with an abrasive pad or steel wool. Rinse with water. **Oven and Grill Cleaner** is non-flammable. **Oven and Grill Cleaner** can be used on a cool oven, but for best results on heavy grease and carbon, heat oven to 120° to 140°F (50° to 60°C) before applying. **DO NOT USE ON ALUMINUM SURFACES.**

DIRECCIONES:

Este producto se usa con el ROCIADOR de espuma por **United 51**. Rocie suficiente espuma en la area que desea limpiar. Dejela 5 minutos o mas (no deje secar la espuma) luego se limpia con un chorro de agua. Para manchas dificiles repetir el proceso, dejando la espuma de 4 a 5 minutos, talle la area con estropajo o escobetilla, enjuage con agua. Este producto no es inflamable. Se puede usar en un horno frio, pero para mayor resultado en hornos muy grasosos caliente el horno de 120° a 140°F. (50° a 60°C.) antes de aplicar. **NO SE USE EN SUPERFICIES DE ALUMINO.**

* If product does not easily feed through A078, prime the trigger sprayer with water and then insert into product bottle.
