

Blast away dirt, grease, and grime and make your equipment work better!

United 612 FLEET-ZYME

Degreaser/Cleaner for Vehicle and Equipment Maintenance

Earth Smart® formula assures personal and environmental safety.

- No hazardous components, no VOCs and ranked zero in all HMIS numbers.
- Near neutral pH. No worry about acid or caustic splashback.
- Non-toxic according to EPA, OSHA, NIOSH and WHMIS standards.
- No phosphates, no alcohols, no sodium metasilicate, no NPEs.

Keep your rolling stock sparkling with FLEET-ZYME!

- Perfect product for recirculating systems. Patented Separation Technology makes oily-water separators work better. *Wash water stays cleaner longer.*

- **FLEET-ZYME** is ideal for steam cleaning, pressure washing or hand washing.
- Tough detergents and natural enzymes team up to cut through built-up soils—without damaging finish or equipment.
- Rich foam forms a protective barrier between surface and brushes.
- Free-rinsing formula sheets off finished surfaces. Leaves no residue at proper dilutions.

FLEET-ZYME is ideal for use on...

- Trucks, trailers, tankers.
- Heavy equipment.
- Cars, cabs, vans.
- Busses, trolleys.
- Farm equipment.
- Airplanes, helicopters.
- Luggage handling equipment.
- Recreational vehicles.
- Earth moving equipment.
- Railway cars, locomotives.
- Forklifts.
- People movers, trams.
- Ambulances, emergency vehicles.
- Fire trucks, equipment.
- Golf carts.
- Utility vehicles.
