ESA Daily Cleaning and Descaling Wipes

Featuring Earth Smart® Acid Technology

The quick, easy and safer way to wipe away scale, lime, soap scum and water spots from any hard surface.

ESA Daily Cleaning and Descaling Wipes:

- Quickly cut through mineral based-stains.
- Feature a mild abrasive wipe for ease of use on tough stains.
- Eliminate messy drips and are excellent for use on vertical surfaces.
- Are economical—there's no wasted product.
- Will not etch or pit metals.
- Feature larger-sized wipes to last longer...a single wipe can typically do a hotel guest washroom.
- Smell great with United's-own sensational SUNSHINE fragrance.

Features revolutionary Earth Smart® Acid (ESA) Technology:

- Dissolves calcium carbonate scale two to three times faster than traditional acid products.
- Much milder to steel, aluminum and skin than traditional acids used in bathroom cleaners.
- Phosphate-free and contains no VOCs.
