

**Stop Urinal Clogs and Control Odors with...**

**United 98**

# ***FLEX-SCREEN*** **Urinal Screen**

***FLEX-SCREEN*** Urinal Screens have an ultra-flexible design that allows the screen to fit multiple styles and sizes of urinals with ease. Many screen designs touting minimal splash-back, limit the flexibility of the screen and affect the fit within the urinal. ***FLEX-SCREEN*** provides a larger screen surface and more flexibility for better fit.

**Features:**

- Powerful deodorizing.
- Flexible design for better fit.
- 15% larger than average size.
- Provides protection from debris that may clog drains.
- Provides long-lasting deodorizing – for at least 30 days.

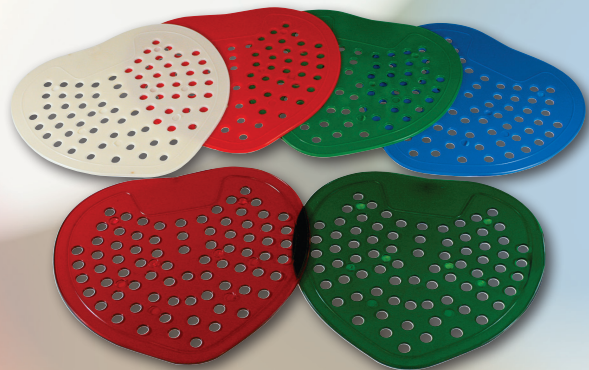

**NEW Colors and Fragrances Now Available:**

- Solid Blue with Sun-Kissed Orange Scent
- Solid or Translucent Green with Pine Forest Scent
- Solid or Original Translucent Red with Sonic Cherry Scent
- Solid White with Powerhouse Fragrance

**With more color and fragrance options available, how do you decide which to choose?**

- 1.** Take advantage of new color options to show your school or company pride by matching your school or company logo colors, when available.
- 2.** When using other scented products for cleaning and deodorizing, you now have more options here to match or blend with the other fragrances in use.

No matter how you choose, **United 98** will let you ***FLEX*** your deodorizing muscle with 30 days of control; while the flexible fit provides better protection from clog forming debris.
