## BIO BRIGADE

**BIO BRIGADE FRESH AIR™ Insecticide** is a natural, bio-based formulation made from food grade ingredients that kills bugs on contact. Use in drains to control fruit flies; as a crack and crevice spray to provide residual protection from crawling insects; or as a direct contact spray.

**FRESH AIR™** contains peppermint oil which has been proven to provide relief of respiratory problems and the fragrance is refreshing.

### United 241:

- Earth Smart® Certified
- Bio-based
- VOC-free
- Asthmagen-free

Safe in use for people, animals and the environment when used as directed, yet the formulation works quickly to control insects.

**BIO BRIGADE FRESH AIR™** Kills: Ants, beetles, centipedes, cockroaches, crickets, earwigs, fleas, fruit flies, silverfish, spiders, termites and ticks. Do not use this product to control bees, wasps or hornets.

### DIRECTIONS FOR USE:

USE ACCORDING TO LABEL INSTRUCTIONS.

#### For Controlling Fruit Flies:

Using trigger sprayer, spray **United 241** into and around the entire interior surface of drain, which will coat food source of fruit flies and eliminate them as they make contact. Treat at regular intervals to prevent further infestation.

#### For Indoor/Outdoor Applications:

Thoroughly apply **United 241** to all visible insects to ensure a rapid kill. Make sure all insects receive a thorough coating of **United 241**. Resilient insects may require additional treatments of **United 241**.

**Note:** **United 241** may make floor surfaces slippery. Use a mild detergent/water solution to clean **United 241** from floor surfaces.

#### For Crack/Crevise Treatment:

The product has demonstrated residual activity on certain crawling insects. Thoroughly apply **United 241** to all cracks and crevices where insects may be hiding or nesting.

**United 241** may stain or alter the appearances of substrates including but not limited to baseboards, drywall, painted surfaces and concrete. May also stain carpet or fabrics. Test in an inconspicuous area first. To minimize staining, wipe away excess with an absorbent cloth and mild detergent/water solution.

# FRESH AIR™ Insecticide

### Active Ingredients: From Plant Essential Oils

Soybean Oil.....	87%
Peppermint Oil.....	3%
