

**MEGA KO Concentrated Cold Drain Blend** is a drain maintenance treatment product packaged in cartridges for use with the A348 Kompessor Dosing System™.

**MEGA KO** is specifically formulated to control cold water sludge buildup in the drains that reduces flow, causing backups and foul odors. Combined with the Kompessor Dosing System™, it offers the perfect solution to treat ice machine drains, as well as other cold water drains.

Each 550 mL cartridge of product provides up to 4 weeks of treatment to keep these drains flowing freely.

### **FIRST AID MEASURES:**

**IF ON SKIN:** Wash with soap and water. Get medical attention if symptoms occur.

**IF IN EYES:** Immediately flush with plenty of water for at least 15 minutes. If easy to do, remove contact lenses and continue rinsing. Get medical attention.

**IF INHALED:** Remove to fresh air. If not breathing, give artificial respiration. Get medical attention if symptoms occur.

**IF SWALLOWED:** Do not induce vomiting. Call a physician or poison control center immediately. Never give anything by mouth to an unconscious person.

An SDS for this product is available through United's website, [www.unitedlabsinc.com](http://www.unitedlabsinc.com), providing 24 hour access. Please read the SDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
