MEDI-CRÈME Antimicrobial Hand Cleanser

MEDI-CRÈME is ideal for doctors' and dentists' offices, convalescent and nursing homes, restaurants and food processing industries. **MEDI-CRÈME** may also be used in schools, banks, factories, churches, shower rooms, etc., wherever people are present for gentle hand cleansing with a broad spectrum antibacterial performance.

MEDI-CRÈME is mild but effective in preventing cross contamination of common bacteria. **MEDI-CRÈME's** special emollients help prevent chapping even when hands are washed many times each day.

An SDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the SDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.

**KEEP OUT OF REACH OF CHILDREN.
