LABORATORIES

**SUN-LITE** provides degreasing/cleaning power needed for most daily uses...floors, walls, washrooms, counters, tables, non-wooden desks and other casual furniture, chalkboards and white boards, smoking lounges, windows and mirrors, trash areas—any hard surface.

- Specifically-targeted enzymes and tough surfactants cut through built-up dirt, grease, grime, smoke, food residue, and soap scum.
- Concentrated formula provides great economy—especially when used with one of United's Blend Centers.
- Ideal for most cleaning applications—use in trigger sprayer, mop bucket, floor machine or low pressure sprayer.
- Fresh Sunshine scent leaves areas smelling clean.
- Near neutral pH—will not dull, strip or streak finished floors.
- Patented Separation Technology helps wash water stay cleaner, longer.
- Beneficial to drain system maintenance and waste water treatment operations.

Earth Smart® Certified formulation means it is both safer in use and safer for the environment.

- No hazardous components
- VOC-Free
- NPE-Free
- Non-flammable

#### DIRECTIONS FOR USE:

Below are suggested dilution rates for most housekeeping applications:

- Light Duty: 38:1 • Medium Duty: 10:1 to 19:1
- Heavy Duty: 3:1

Do not spray or mist **SUN-LITE** at concentrations stronger than 10:1.

Cleaning effectiveness is affected by Temperature, Agitation, Concentration and Time (TACT). Adjust each to maximize your cleaning process.

## SUN-LITE Multi-Purpose Cleaner for Housekeeping

**KEEP OUT OF REACH OF CHILDREN.  
See other cautions on back/side panel.**

**DIRECTIONS FOR USE: (continued)**  
**SUGGESTIONS FOR USE WITH EQUIPMENT:** To simplify your operation and maximize your economy, we strongly suggest using **SUN-LITE** with one of United's Blend Centers for automatic dilution.

**Mop-and-Bucket:** Use a 10:1 solution for mopping floors. To avoid excessive foaming, put the water in the bucket first.

**Trigger Sprayer:** For general spray-and-wipe cleaning, use a 19:1 solution. For windows, mirrors and other glass surfaces, use a 38:1 solution.

**Hosemaster Sprayer:** To clean large areas such as shower rooms and locker rooms, fill the bottle with straight product. The Hosemaster automatically dilutes to preset rates.

#### FIRST AID MEASURES:

**IF IN EYES:** Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Call a physician.

**IF ON SKIN:** Wash with soap and water. If skin irritation persists, call a physician.

**IF INHALED:** Remove to fresh air. Get medical attention if discomfort persists.

**IF INGESTED:** Do not induce vomiting without medical advice. Never give anything by mouth to an unconscious person. Call a physician or poison control center immediately.

An SDS for this product is available through United's website, [www.unitedlabsinc.com](http://www.unitedlabsinc.com), providing 24 hour access. Please read the SDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
