United 98

FLEX-SCREEN Urinal Screens have an ultra-flexible design that allows the screen to fit multiple styles and sizes of urinals with ease. Many screen designs touting minimal splash-back, limit the flexibility of the screen and affect the fit within the urinal. **FLEX-SCREEN** provides a larger screen surface and more flexibility for better fit.

Multiple color, fragrance combinations available:

Sun-Kissed Orange Fragrance

Solid Blue

Pine Forest Fragrance

Solid Green Translucent Green

Sonic Cherry Fragrance

Solid Red Translucent Red

Powerhouse Fragrance

Solid White

Made in USA

318

NET CONTENTS: 25 Screens

FLEX-SCREEN Urinal Screen
